What makes a perfectly suckable nipple? What makes men (and women) want to pucker up and wrap their lips around it? Regression? We think not. We think it is the natural physical attraction between lovers, in the foreplay, or the heat of passion, that the nipple signals the opposite party that it needs attention and thusly gets it's lascivious satisfaction.

THE GIRLIE FUN

Triple

Semester exams had just ended. Most of the university had already gone home for the break but Loxie, Danielle and Savana had to stay in the dorm because their parents were coming the next day to get the, This was their last night on campus until school started again in a week. The three decided to get together in Savana's room for a little going-away party. Danielle brought the drinks and Loxie brought the fun. Savana was already in the room when the others showed up. First Danielle, then Loxie showed up almost a full half hour after their agreed upon time.

When she got there, they quizzed her tardiness, wondering if something had happened. But no, she was out shopping for a couple things and it took her a little longer than she expected. They sat around and drank some wine and grabbed away about the past few months, and of course, the exams. They all thought they aced them, but Danielle was just a little unsure. Loxie then decided to take the party up a notch. She got her backpack and pulled out a long package. The other two started to giggle. Then Loxie rips the paper off and reveals a bright

red eighteen-inch double-ended dong. The giggling continued and intensified. Loxie pulled another smaller wrapped item and opened it to reveal a butt plug and small tube of lube. Looking at each other, they decided it was time to get naked. Taking off all their clothes, they threw them on the floor. Savana lay back on the bed slowly, legs wide. Loxie mirrored her position, so their pussies would be open and nearly in alignment. Danielle's voice was a firm and demanding as she lifted the large double-dong. She smiled as she looked at the two waiting pussies stretched out in front of her.

Danielle bent down and put her face near the two pussies. Her long tongue came out to lick Savana's pussy, then Loxie's. Both recipients moaned and rolled their hips with pleasure. Savana tensed when she felt Danielle fitting the fat knob of the artificial cock into her wet pussy lips. She felt herself stretching and giving way, slowly and with just a hint of the most wonderfully delicious discomfort. Danielle emitted a squeal and pushed the head of the dildo into Savana's pussy.

Loxie and Danielle pushed the fat dong further into Savana's tight pussy. Four, then five inches slid in, stretching and reaming her pussy in the most wonderful way. Savana told Danielle to put the other end into Loxie's waiting kitty. Savana groaned again as she felt the dong buckle and move inside her, responding to Danielle efforts to align it with Loxie's pussy. Loxie grunted out loud as pleasure overtook her when the insertion was made. Savana groped blindly till her fingers found Loxie's. They gripped each other's hand and began working their pussies toward contact, swallowing more and more of the big, slimy, double-ended tube snake.

Soon, Savana felt Loxie's smooth shaven kitty rubbing against her labia. Loxie rolled halfway onto her side and Savana forced their pussies completely together. Danielle, the beautiful blonde woman was staring at the lovely sight of two sweaty women impaling themselves on opposite ends of the amazing toy that they shared. The sight was having its effect. Danielle's face, throat and chest were flushed, her breathing was shallow and rapid and her nipples were so swollen, they looked ready to burst. Her soft lips were parted and slightly and from time to time, the tip of her tongue flickered across them.

Savana softly urged Danielle to slide the butt-plug into Loxie's pucker. Danielle leaned in and rubbed some lube around Loxie's butt hole and she slid the butt-plug into position. Savana felt Loxie stiffen when it began to penetrate her anus, then she heard the deep sigh of contentment as the hard rubber device was lodged inside.

Danielle joined in closer to the two girls in heat. Her wet, hungry lips explored the thighs and bellies of each impaled woman in turn, then finally moved between the two swollen clits. She kept her tongue between the two women and flicked it back and forth, as quick as a pink tuning fork, licking at the tips of the two engorged clits. Savana reached over with one hand to cup Danielle's breast. She closed her fingertips around the tiny, hard nipple and pulled on it slightly. She was rewarded with the soft exhalation of Danielle's excited groan.

Spurred on by the visceral sounds of the sex going on, Savana pinched the nipple hard and Danielle shook and shivered, and for a moment could only rest her cheek on Loxie's moist belly. Savana reached over and fingered Danielle's kitty. Danielle complied by visibly trembling with pleasure as she slowly worked them in and out. Loxie's groans of pleasure were muffled in the liquid softness of Danielle's wet pussy.

Soon, Savana slowly worked herself off of the long dong, regretting the emptiness its removal left inside her spasming pussy. She quickly reversed herself on the bed, lick-

ing the insides of Loxie's quivering, wide-flung thighs. She gripped the end of the dong and pumped it quickly, almost savagely, in and out of Loxie's young pussy. The blonde gasped and bucked at the combined stimulations of Danielle's tireless tongue and the huge rubber phallus inside her. Savana pushed more and more of the big plastic rocket into her girlfriend, till almost a foot of it was buried inside Loxie's hungry pussy. And then she pulled it out, completely with a loud suction noise.

Savana heard Loxie's muffled howls of frustration and saw how her pussy still pulsed and drooled its own juices. She groped for and found a tube of the lube and smeared it on her fingers. Then she slipped three fingers into Lox-

ie's pussy. Loxie's ensuing moans were clearly audible. Savana tucked a fourth finger into Loxie's sopping kitty and waggled her digits back and fourth in the wet pool of Loxie juice. Loxie screamed some more and bucked her hips. Savana kept it up for a minute, then slid her fingers out of her beautiful friend and moved up on the bed. Savana whispered to Danielle that it was her turn to sit on Loxie's face, her voice raspy with lust. Danielle sat up slowly and turn passion-glazed eyes on Savana.

Danielle slowly hoisted herself off Loxie's face. Savana looked at the strawberry blonde's face and saw Loxie

was absolutely soaked with Danielle's juices. Loxie's face was slack, her lips were open, her eyes were closed, her hair was a mess, and her tongue was still outstretched. Savana lowered her pussy directly over Loxie's yearning tongue and shivered as she felt the slick pink mouth muscle move against her pussy and clit. She ground her pussy down onto Loxie's mouth, her hands squeezing and pulling Loxie's rigid nipples at the same time.

Slowly the lusty blonde woman slithered into place and immediately began working her remarkable tongue around Loxie's hungry pussy. Loxie vented her pleasures

Loxie writhed as Savana licked her pussy. She was bowed up off the bed now and Savana felt the orgasms washing through Loxie. She moved her hand higher on Danielle's arm, near the elbow, and rammed the blonde woman's finger's deeper into Loxie's welcoming pussy. Danielle turned her face to Savana's. A tiny, evil smile played across her lips and she suddenly moved her head forward and kissed Savana. Savana opened her mouth willingly to that probing tongue. When she broke the kiss, she saw that Danielle was pumping Loxie's insatiable pussy with her fingers.

on Savana's kitty but Savana had something else in mind. She leaned forward and her tongue joined Danielle's on Loxie's pussy and clit. Savana felt a wave of lust rush through her as she watched Loxie take Savana's pussy, lips and all, into her mouth and was wildly licking and sucking. A series of small orgasms was detonating inside the coed, but she didn't let them distract her.

Savana and watched the beautiful blonde's eyes close almost all the way as she complied. Savana grabbed Danielle's forearm and began pumping the fingers in and out of her friend's pussy as if she were using a dildo and not another woman's fingers. Beneath her, Loxie was writhing and bucking, stiffening in orgasm from time to time from the twin pleasures of Savana's tongue on her clit and Danielle's fingers in her pussy. She began rolling her hips in sharp, tight circles, trying to absorb Danielle's fingers. She was sucking crazily on Savana's pussy now, her tongue trying to get ever deeper into Savana's sopping hole.

Savana climbed off Loxie's face and the young blonde immediately let out a scream of sheer pleasure. Her hips crashed down to the bed and bucked wildly. She crawled over to the big double dildo and impaled herself on it, holding it with one hand while the other hand moved frantically over her clit. She crawled around behind Danielle while Loxie let loose another wild scream. She knelt behind Danielle, raised the other end of the dildo, and nestled it against the gooey lips of Danielle's upthrust pussy.

Savana pushed the big dong forward. Danielle emitted a sharp yelp of surprise and then pushed back with her hips. The huge rubber knob stretched Danielle's small pussy and then easily slipped inside. Danielle cried and pushed back for more. Loxie screamed her pleasure again

and started grunting and moaning as she came and came. Savana pushed the big rod forward, feeling the back pressure from Danielle's tight pussy. She got about five inches into the blonde woman, then pulled back and rammed forward again.

Savana began fucking in and out of the constricted blonde's pussy, savoring the hunching and stretching of the toy inside herself while her fingers plucked at her swollen clit. She was cumming nonstop, orgasm after orgasm cascading inside her and building strength. The sight of Danielle's tongue on Loxie's clit and the sight and sound of Loxie's powerful, unceasing orgasms combined with the physical sensations and the smell of overheated pussy sent Savana higher as the pleasures tore through her body. All three were cumming now, all three completely lost in pleasure. All three would end up spent on the bed with toys still in their pussies and ass. Soon Savana was cuddled to Loxie's left side, Danielle to the right. All asleep.

Like many college girls, I had to find a way to pay for college. No trust fund, no savings account, nothing in my wallet. After talking with a bunch of my girlfriends, I decided to try some nude modeling. Fortunately, in So Cal, there is no shortage of photographers willing to take pictures and videos. It didn't take me long before my college tuition was paid for. Next up are my textbooks.

One of my very best
friends is my ttrusty
butt plug!

The past fall I transferred colleges from Illinois to West Virginia. I wanted to get further away from home so I could 'find myself' and not be inhibited by my parents so close. A few weeks after the semester started, I decided that I pretty much had academics under control and now I wanted to taste the night life. I hadn't been laid all summer and now at school it may be easy, or it may be hard. I had to pretty much minimize my chances for failure.

Early that evening, I go through my drawers trying to find which thong

made my ass look best. After trying on several pairs, nothing fit like the red g-string, it made me feel so sexy. And I liked the color contrast with my dark chocolate skin. I pulled up a pair of thigh high stockings and selected my black five-inch heels. I'm only 5' 5" so the heels make me look taller and really help push my already plump ass out there even more. Looking in the mirror was such a turn-on, my ass looks good in red. As I start to shut the drawer, I caught glimpse of my huge black butt plug. I debated whether to leave it, bring it, or put it in. What the hell, I thought. I enjoyed it in me and I had done an enema in the shower, so why not. I could always pull it out if I needed to. I bent over, pulled my thong to the side and spread some lube all over my tight little hole. I firmly grasped the huge plug and directed it between my cheeks. My body starts to tingle as the plug starts sliding in. It felt amazing, then all of a sudden it popped all the way in. I moaned as a shock of pleasure-pain ran through

my body. It was so filling, almost as good as being stuffed by a cock.

I decided to go to The Trend, a club/restaurant on the boardwalk at the beach. I walked in, showed my ID and paid the dollar admission, since it was Ladies Night. I tend to avoid Ladies Night at clubs because it can get crowded and the girls get caddy. The guys are all looking for nookie, so the scene is pretty much a meat market. Fortunately, it was a weeknight so it wasn't as crowded as I feared. I walked over to the bar, tightening my sphincter so waves of pleasure surged through my body. I found a stool and gingerly sat on it with most of my weight on one leg. After I got my drink, I turned sideways so I could see the room. It was a mix of people, almost all students, with a lot of bumping and grinding, and twerking on the dance floor. Then this good-looking guy comes over and sits on the stool behind me and orders a drink. A few minutes go by and he stands up and

whispers over my shoulder asking me to dance. I turn a little more and check him out. I told him I'd love to, but I needed to use the ladies room first. He chuckled. I asked why he laughed at that. "Because it's a unisex bathroom. There is no ladies bathroom." he said. I laughed too and headed for it.

I quickly walked down the hallway and entered the first door. I walked in and quickly shut the door behind me. I am thinking the whole time that I probably need to take out the plug if I'm going to dance. I quickly pulled my skirt up and my panties down around my ankles and pulled both feet out. I find the end of my butt plug ready to pull it out. All of a sudden I hear the door handle rattle and I hear the door swing open. I look back still bent over and in walks my soon-to-be dance partner. He shuts the door and locks it behind him. "You know your gonna give me some of that ass." he says. My heart dropped and my pussy started throbbing. "You know I will." I said. "Do you like my ass?" He smacked me on the ass and turned me around. He

put his hand on my head and pushed me to my knees. As he unzips his pants, out pops the hugest cock I have ever seen. It was already hard and over nine inches long, easily. He grabbed my hair and pulled my face to it.

I reach my hand up to grab it and noticed it was as thick as my wrist. I stuck out my tongue and started to lick the head of it. I open wide and start to take it in. Halfway down, I start to choke and gag. He grabbed my hair and tried shoving his cock further down my throat. He bobbed my head up and down until I almost couldn't breathe. His cock was huge and my mouth felt so small, I just held my mouth open wide as possible. I could taste his precum in my mouth and loved the taste of it. I never wanted to stop sucking it. He pulled it out of my mouth and turned me around and bent me over the booth. He grabbed the string of my thong and pulled my ass up higher in the air. He saw the plug and hesitated for a moment. I was so sidetracked that I actually forgot about even wearing the plug. "I got something better

than that." he said and pulled the plug out of my anus. He led me over to the sink and bent me over it. He pulled my red g-string to the left and started to lick my ass.

The adrenaline started pumping as I feel the head of the enormous cock start to enter my butthole. I dropped my head and bit my lip. He started to enter – inch after inch for what felt like ages. It hurt so bad but felt so good, my body couldn't stop shaking. He pulled out real slow and then shoved it back in. Every thrust he made sure I felt and didn't slow down at all. I started moaning like a girl getting fucked for her first time. He held tight on my thong and he said "You know where this cum is going, don't you?" He pulled my hair and I felt a warm explosion in my ass. It was so warm and filling! He pulled out and I felt my anus shrink back down. He pulled up his pants, zipped them and walked out. I got dressed and put my plug back in to hold the cum inside me.

I went back to the bar and tried to act

as if nothing had happened. I finished my drink and tried to rush out of the place, but really didn't want to leave. I saw him on the dance floor and his eyes met mine. He smiled and waved. I wanted to go back in and see how many more I could get to fill my ass up.

ALICIA W., ASU

Making my best friend my new lover

Her dorm room was small, but had a lot of décor. A coffee table full of books and magazines, shelves full of vases and pictures of family. She turned off the lights and joined me on the bed. She started out sitting upright to the right of me, but it ended with her head on my shoulder and arms wrapped around my right arm. I stopped paying attention to the movie, and worked on courage to make a move. I was nervous that I might go too fast, and she would get uncomfortable. Half way in the movie I couldn't hold myself back,

and didn't care about being nervous. I moved my left hand across my thighs, to hers, and just rested my hand mid-thigh. Her muscle was tense but softened within a few seconds, then I continued slowly and moved my hand up and inward towards her crotch.

It was warm, and I began to slowly rub my hand around that area, and going down to the thigh and back up. Her breathing was quickening and shaking, along with mine. We were staring into each other's eyes as I undid the pants button and zipper, and slid my hand in. Her eyes were now closed, her head tilted back, and lips partly open. Her breasts moved up and down as her breathing got heavier, and a light moan escaped her lips. Our lips touched and parted for our tongues, which explored each other's mouths and wrapped themselves together like two serpents.

I just grabbed her by the shoulders and threw her down on the bed, "Don't move." I said removing my socks, pants, shirt, and my bra and panties. I began to kiss her again, and let our tongues dance. I got to my knees on the soft the bed, and removed her

pants slowly, kissing her inner thighs. I slowly brushed my lips and nose against her crotch teasing her, then to her belly button and breasts. I removed the rest of her clothes. She put the palm of her hand against my stomach and rubbed inward towards my crotch and began to slowly rub my clit. I kissed her neck and removed her remaining clothes. My lips traveled down to her nipples and I began to suck on them. She began to moan again. I stopped sucking her nipples, and stared at her as I shoved a finger into her warm wet pussy.

I watched her breathing, pacing my thrusts. Her breathing became harsh, fast, and heavy, and her back arched slightly. There was one last long loud moan, which vaguely sounded like my name, and her pelvis shot up and down, and her legs curled in along with her fingers and toes. Her whole body became one spasm event, and her long nails cut my back. The whole time I didn't stop shoving my fingers in and out of her. When her pussy relaxed and her body was calm again, she opened her eyes wide and a large grin spread across her face. I smiled back, proud that I made her orgasm.

COURTNEY

A few years ago I answered an ad in a South Beach paper for bikini models. I went with a girlfriend and we both got the gig. We met the client and did a day's shoot. At the end of the day, the photographer asked if we wanted to do some girls' kissing photos for her website. We said to give us a couple days to think about it. Well, we thought about it and since the money was cash, we did it. We had never kissed each other before, and afterwards we started doing some more adventurous shoots. I did this one several weeks ago.

Okay Sam, no normal guy wants to have his junk measured because almost all of us are gun-shy. Only the dudes with a good size cock would allow this. It doesn't have to be a ruler, as in this case. Getting a bunch of bananas and comparing, then eating them is a big yellow turn on. We'll go for it this time because you let us fuck your pretty pink pussy!
